

SEVERN BRIDGE PHOTOGRAPHY WORKSHOP

TIMETABLE 2016

From 4.00 pm to 8.30 pm

- 1 Introduction at Aust Services (overlooking Old Severn Bridge) 4pm**
Meeting and brief introduction to camera settings and use of tripods / filters
- 2 Practical Session 1 – New / Old Passage (English side of Bridges) 4.30 - 6.15 pm**
Watch the sun go down (if the weather allows it!) from the shoreline under the bridges. This is decided for each workshop as low tide is needed for the old bridge but high tide is better for the Second Crossing.
Includes opportunities for practising manual settings, composition, architecture, use of filters, moving water, panoramics, light on the landscape,
- 3 Practical Session 2 – The Second Severn Crossing from Portskewett (Wales side) 6.30 - 7.30 pm**
There's a viewpoint with rocky outcrops on the Welsh side.
We'll use this for the night session.
Includes use of foreground & perspective, photographing the night sky
- 4 Indoor based review session at the Portskewett Inn 7.30 - 8.30pm**
 - 4.1 Review of images and feedback
 - 4.2 RAW processing of selected images

CLOSE 8.30 pm APPROX
